

1. You may use google translator <https://translate.google.com> and Tashkeel generator <http://tahadz.com/mishkal>.
2. You may use Arabic-English dictionaries such as <http://en.bab.la/dictionary/arabic-english>.
What I like about this site is that it pronounces the Arabic word for you.
3. You may setup your on-screen Arabic keyboard using [these instructions](#).

1. Translate and convert the following nouns into female gender (fg). If there is no fg available, write "None". I did few examples for you.

Male Gender	مَحْمَدٌ	وَلَدٌ	مُتَكَلِّمٌ	صَالِحٌ	نَائِمٌ	شَارِبٌ	طَالِبٌ
Female Gender	None			صَالِحَةٌ			
Translation	Name			Righteous			

2. Translate and convert the following nouns into male gender (mg). If there is no mg available, write "None".

Female Gender	سَعِيدَةٌ	لَاعِبَةٌ	نَفْسٌ	شَجَرَةٌ	بِنْتُ	مُصَلِّيَةٌ	لَيْلَى	زَائِرَةٌ	شَمْسٌ
Male Gender					None	مُصَلِّيٌ			
Translation					Girl	Praying Person			

3. Complete the following tables:

	Singular	Duel		Plural	
Male	زَارِعٌ		زَارِعَيْنِ		زَارِعِينَ
Female		زَارِعَتَيْنِ			

	Singular	Duel		Plural	
Male		نَائِمَانِ		نَائِمُونَ	
Female				نَائِمَاتٌ
