

Do the grammar of the sentences below and put the proper Tashkeel and the proper missing letters.

Procedure to follow:

- All verbs in the table are past tense verbs, use Rule 1060, Box 1 to find the proper Tashkil (Harakat) for the past tense verb. Place this Haraka on the verb. If the subject is female, then use Rule 1060.
- If you have Tanwin Fatha use Rule 150, item Find the subject noun and use Rule 1040 to find the Irab of the noun. Then use Rule 290 to pick the correct form. Then use Rule 285 to check if you need Tanwin or not.
- Find the object noun and use Rule 1050 to find the Irab of the noun. Then use Rule 290 to pick the correct form. Then use Rule 285 to check if you need Tanwin or not.
- To get the Tashkil for the remaining letters use one of the following:
- For Tashkil, you may use
 - The Harakat tool <https://harakat.ae/>
 - The Tashkeel tool <http://tahadz.com/mishkal>
 - <http://www.arabic-keyboard.org/tashkeel/>
- For translations, you may use the following:
 - The Cambridge Dictionary <https://dictionary.cambridge.org/translate/>
 - The Meanings tool <https://www.almaany.com/ar/dict/ar-en/>
 - Google translator <https://translate.google.com>
 - <http://www.arabic-keyboard.org/translate/>

If you didn't set up Arabic keyboard on your computer, then use this Arabic keyboard <http://www.arabic-keyboard.org>

I have done examples for you to follow.

The farmer ^{1M} planted a flower ^{1F} .	زَرَعَ الْفَلَّاحُ وَرْدَةً
